4. Test the student module action button delete and update functionality working correctly. And fixed the bug before delete showed the confirmation alert.

URL: https://devs.pearl-developer.com/iips/admin/student/student_list

The screenshot shows the 'Student List' page. On the left is a dark sidebar with a menu containing: Student, Courses, Course Backend, Subjects, Fee Report, Examination, Results, Pages List, Downloads, Uploads, and Setting. The main content area has a 'Delete' button and a search filter. Below the filter is a table with columns: Year 3 percentage, Year 4 percentage, Semester 1, Semester 2, Semester 3, Semester 4, Semester 5, Semester 6, Semester 7, Semester 8, and Actions. The 'Actions' column for each row contains two icons: a pencil (edit) and a trash can (delete). One of these icon pairs is highlighted with a red rectangular box.

5. The student module filter works correctly and the search bar is correct.

URL: https://devs.pearl-developer.com/iips/admin/student/student_list

This screenshot shows the 'Student List' page with a more detailed table. The table has columns: All (checkbox), Sr. No., Enrollment Number, Username, Password, Name, Father Name, Mother Name, Stream, Program, Course, DOB, Enrollment Date, and Email Address. Three rows of student data are visible. Red arrows point to the search filter box and the 'Show' dropdown menu, both of which are highlighted with red circles. The sidebar menu is the same as in the previous screenshot.
