Disclaimer

They understand your brand, your business, how you want to be perceived by consumers, and your marketing goals—and they make sure that every decision reflects your brand. Each designer on the in-house design team brings unique industry experience and knowledge, which you will benefit from

15.added the other image button in the admin panel of the home design page and added a modal to show all images on there.

URL: <https://devs.pearl-developer.com/landmark/all-design>

The screenshot shows a table with 7 columns: #, Image, Title, Total bedroom, Total Washroom, property Detail, Other Image, Status, and Action. There are 3 rows of data. The 'Other Image' column contains blue buttons labeled 'Other Images', which are highlighted with a red rectangular box. The table also includes a search bar, a dropdown for '10 entries per page', and pagination controls at the bottom.

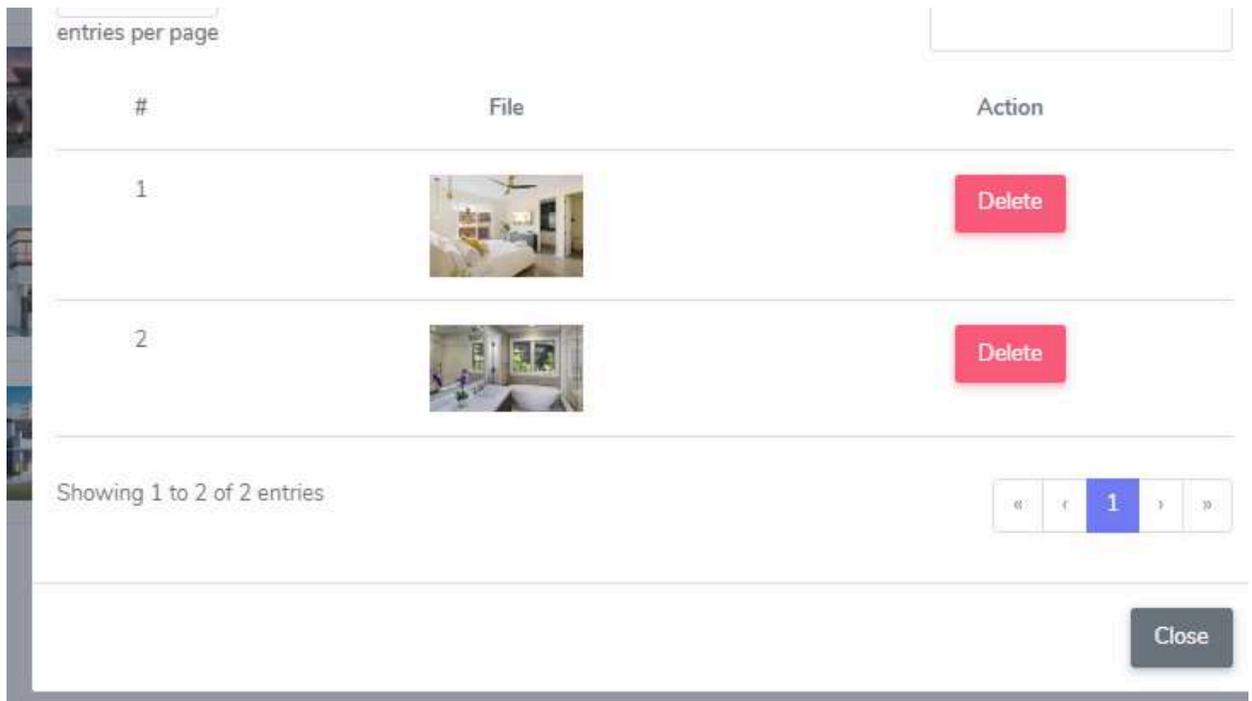

#	Image	Title	Total bedroom	Total Washroom	property Detail	Other Image	Status	Action
1		Home Design	12	10	Welcome	Other Images	Active	Action
2		Pacebo	5	5	ITS ...	Other Images	Active	Action
3		Testing	3	3	This...	Other Images	Active	Action

The screenshot shows a modal titled 'Add Images'. It has a 'Choose Files' button and a text area that says 'No file chosen'. Below that is an 'Image submit' button. There is also a search bar and a dropdown for '10 entries per page'. The main part of the modal is a table with 3 columns: #, File, and Action. It contains 2 rows of data, each with a small image thumbnail and a red 'Delete' button. The modal also includes pagination controls at the bottom.

#	File	Action
1		Delete
2		Delete

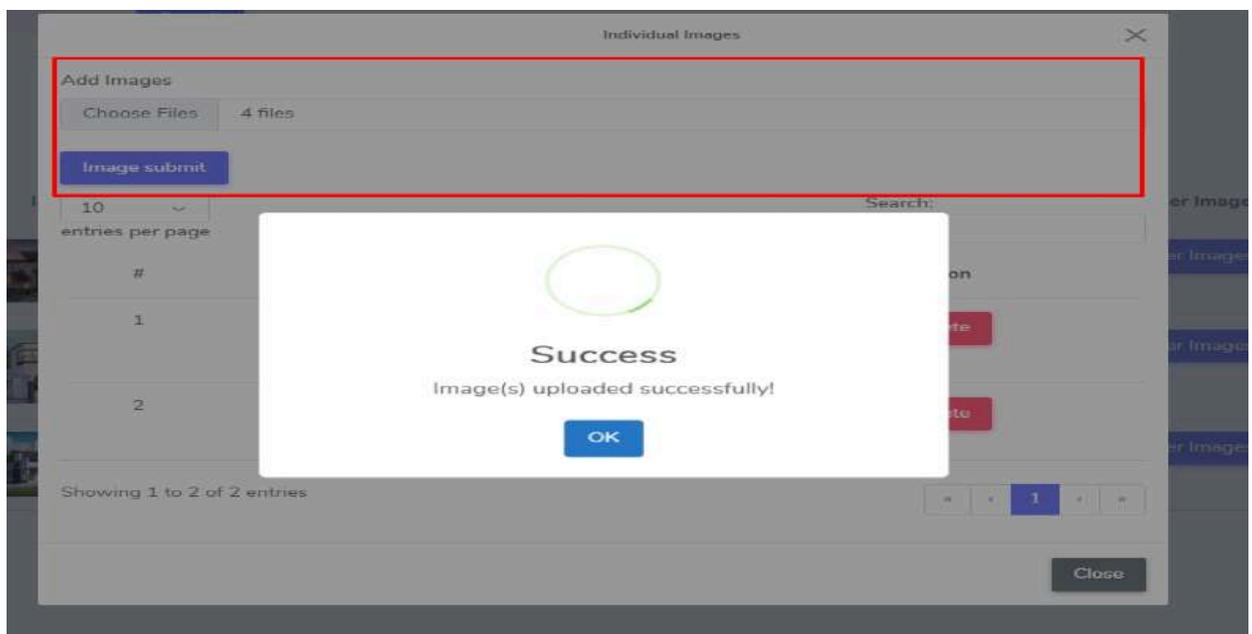

16.show the all home design image in the modal in the admin panel

URL: <https://devs.pearl-developer.com/landmark/all-design>

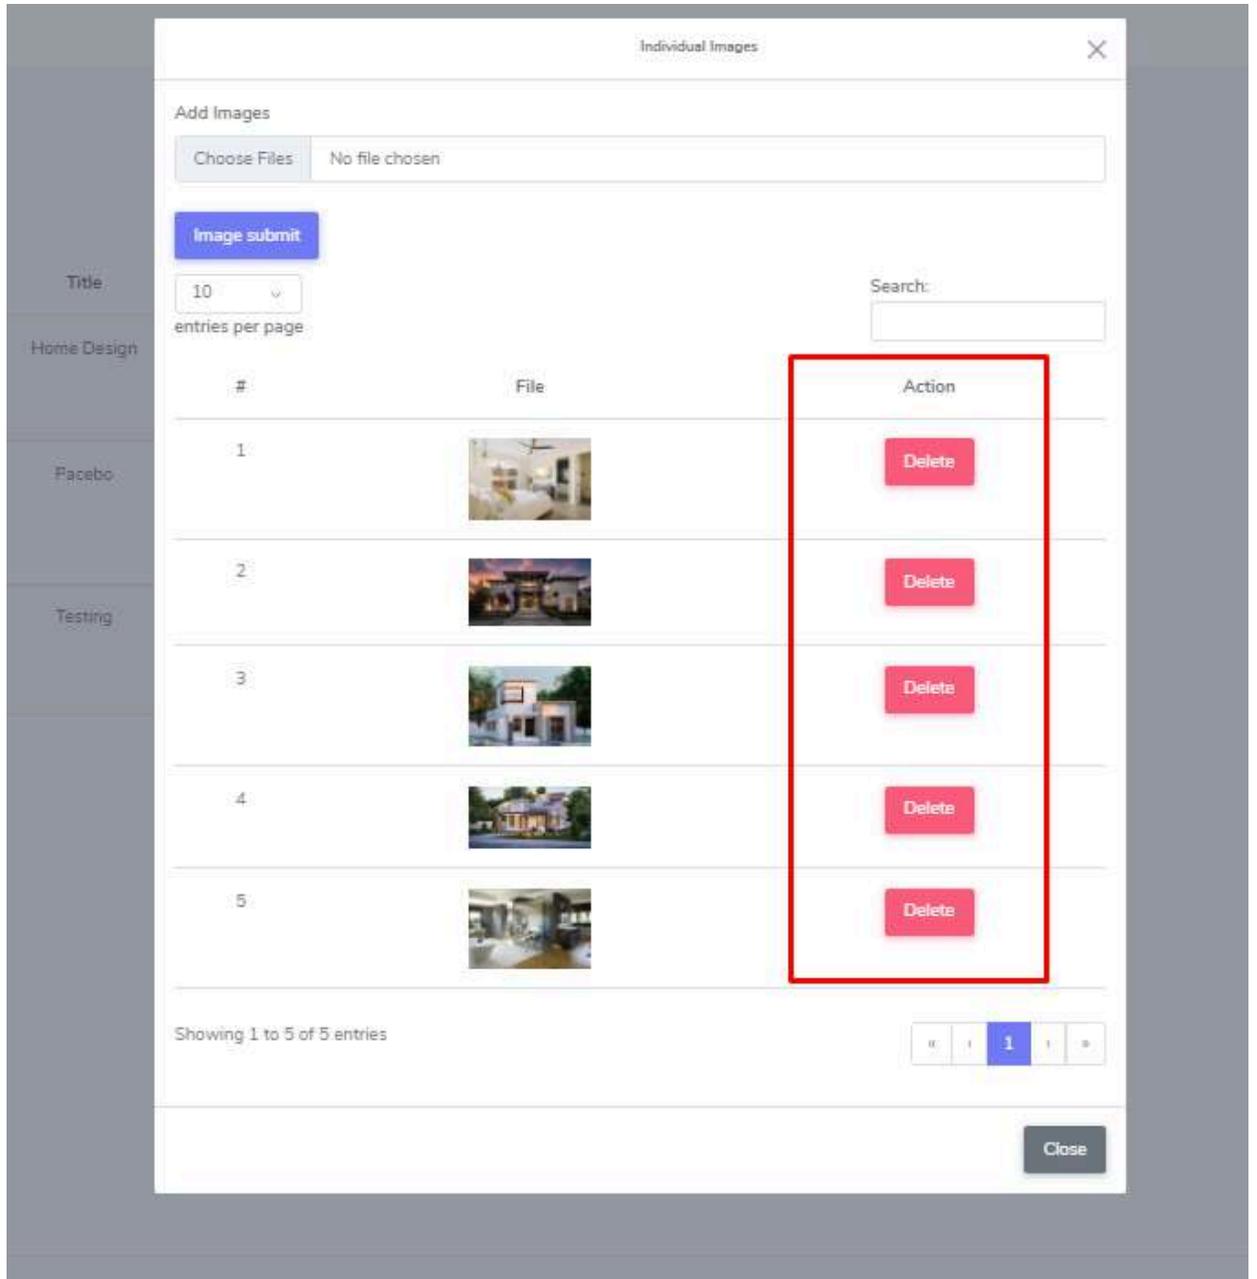

17..Added the insert more image on the home design in the admin panel.

URL: <https://devs.pearl-developer.com/landmark/all-design>

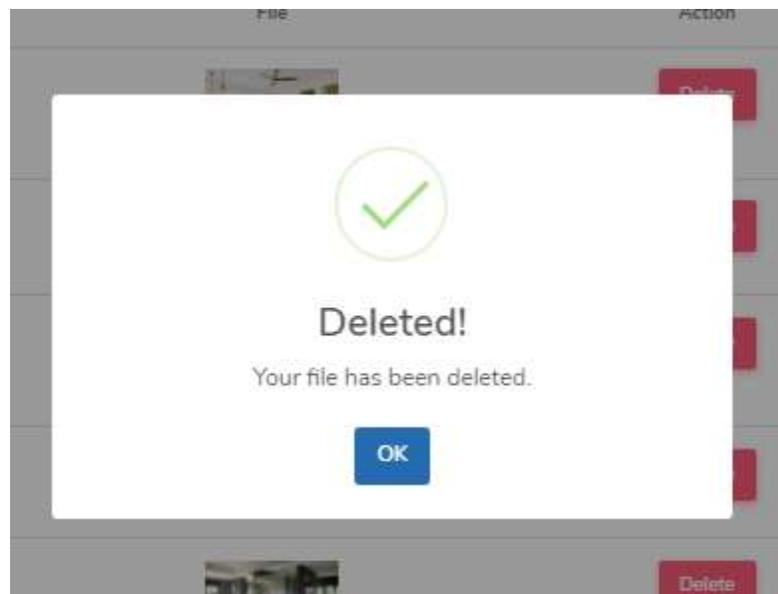

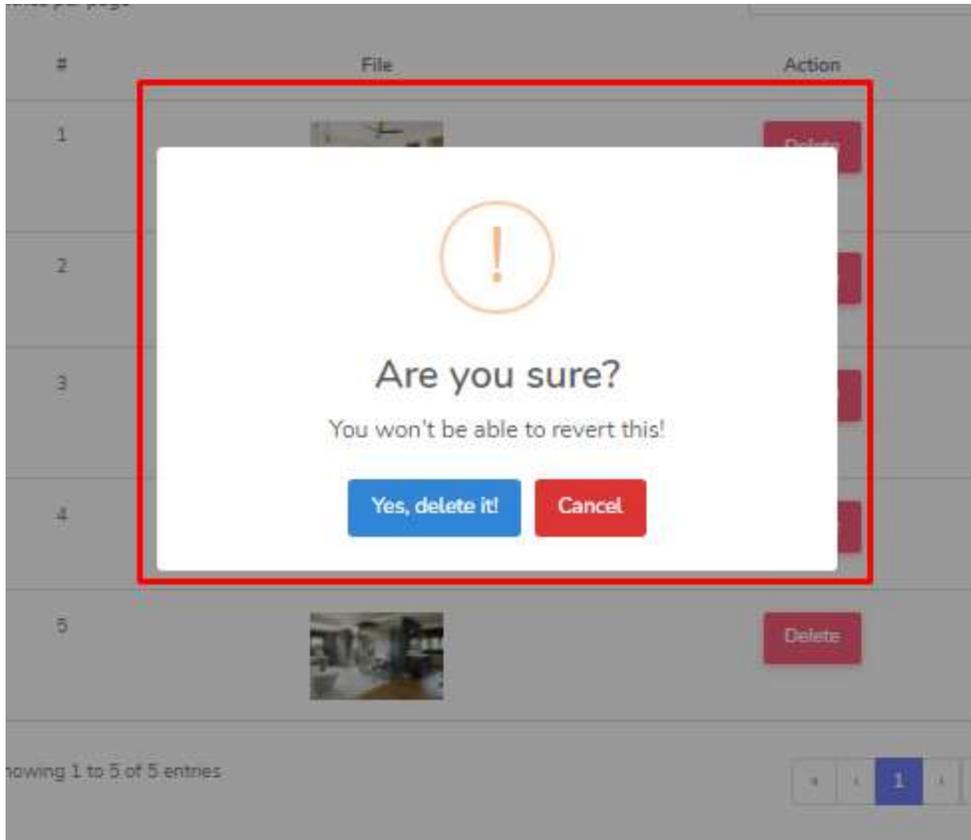

18.Added the delete action button to delete the particular image in the home design in the admin panel.

URL: <https://devs.pearl-developer.com/landmark/all-design>

19.added the sweet alert confirmation in the page when admin deleted the home design images and added the success message after delete the image.

URL: <https://devs.pearl-developer.com/landmark/all-design>

20. Allow text as well pls Sometimes we don't want to disclose price and so we may want to write "Contact Agent" or "Special Offer".....etc..(Done)

URL: <https://devs.pearl-developer.com/landmark/property-listing>

**Add Property**

Property details

21. Change label to Build Size And add one more field for "Land Size" ..(Done)

URL: [https://devs.pearl-developer.com/landmark/list\\_property/update/14](https://devs.pearl-developer.com/landmark/list_property/update/14)

### Update Property

Title

Land Size

Building Size

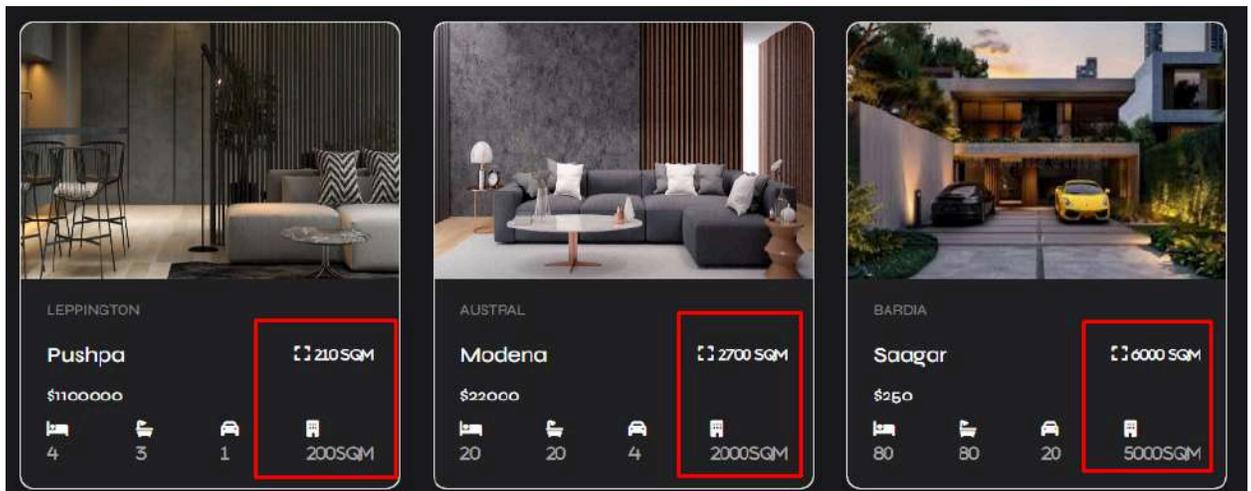

Total Bedrooms

Total Bathrooms

Garage

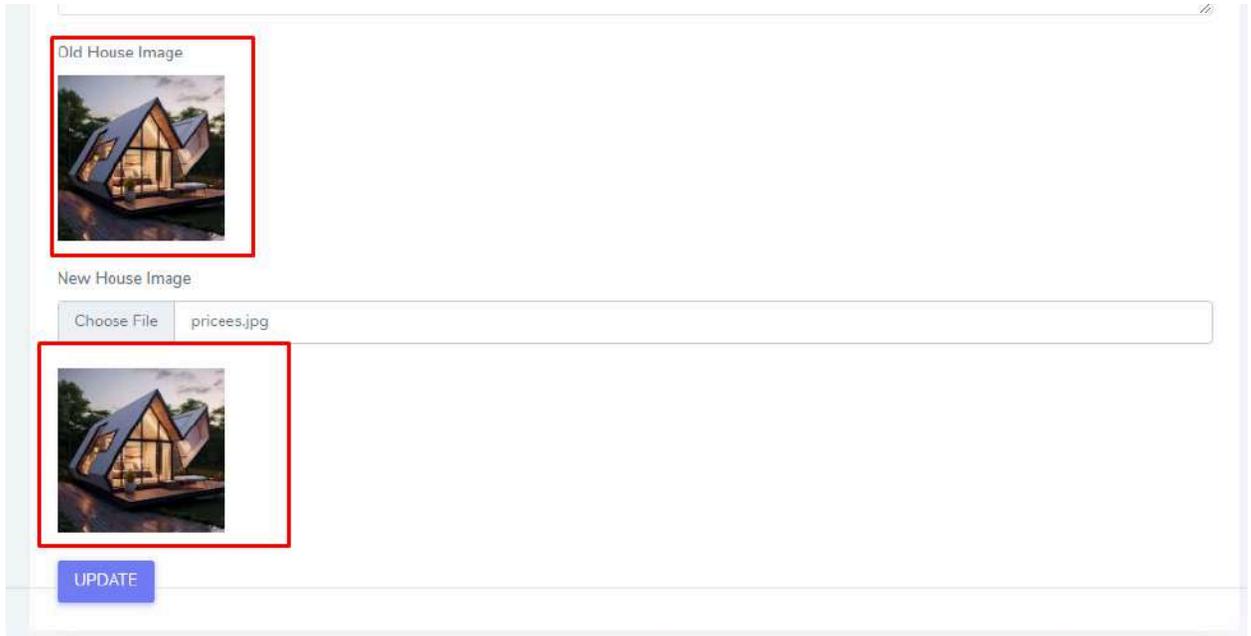

22. You can add Land Size here. **(Done)**

URL: <https://devs.pearl-developer.com/landmark/land-house>

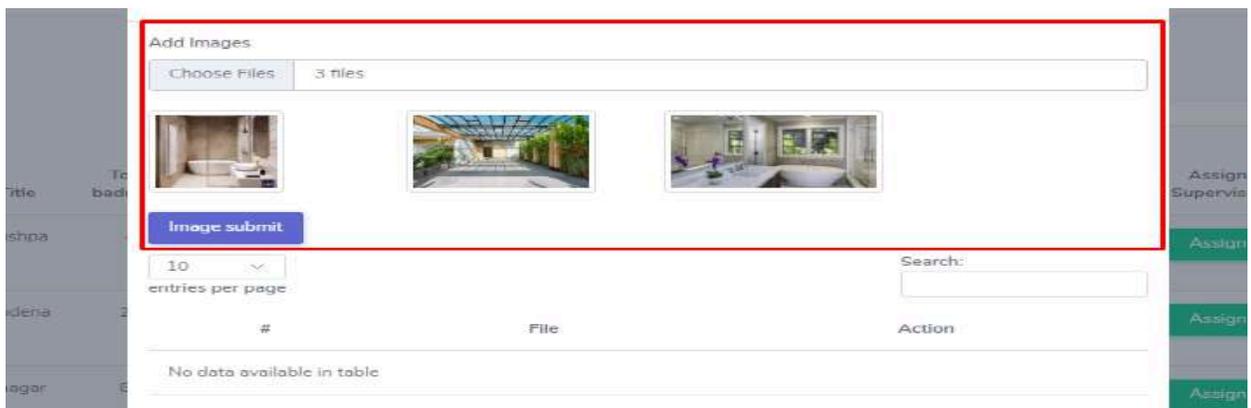

23. I may need to add multiple pictures on these listings. Could you add a feature to allow multiple pics and maybe on small thumbnails so that I can see what pics I have loaded here.. **(Done)**

URL: [https://devs.pearl-developer.com/landmark/list\\_property/update/14](https://devs.pearl-developer.com/landmark/list_property/update/14)

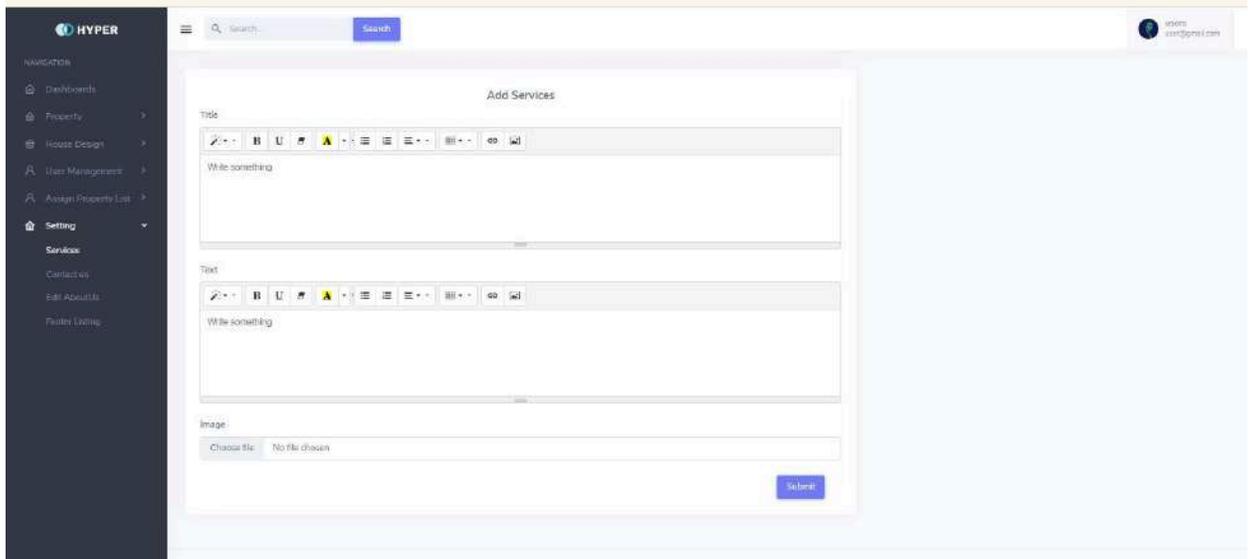

**NOTE:** There are if you want to add the multiple image then there on the table have “other image ” button this button click you can add the more images on the property and view and delete also unnecessary images on there.
